

FLEXTERM XII LIFE INSURANCE

Basic never looked so good

With a focus on the flashy and the fancy, the basics have fallen to the wayside. But Ohio National knows that the basics are just as important as the glitz and glam, so we repriced our Term Basic to give it some extra love and care. Basic premiums are going down, and have never looked so good.

But don't just take our word for it. Below are some examples at various ages for both males and females that show our original premiums to the new and improved premiums. It's all about getting back to the Basics.
